WHOLESALE PRICE LIST
Imported and Domestic Bulbs

Fall 1945

Dear Customer:

We have great pleasure in presenting to you again, after a lapse of five years, of war and woe, our fall Price List of Imported Dutch Bulbs.

Great has been the suffering of the Dutch, but as in the past, they have again come through with flying colors.

Let's give them a hand by ordering some of their unsurpassable product

DUTCH BULBS

which during their trying years has still greatly improved in quality and variety of color.

Sincerely,

JOHN DIRKMAAT

TERMS:- All prices are f.o.b. New York, cases and packing included. Duty and freight etc. will be collected on arrival but deducted from your bill. Customers with established credit - payment 60 days net, 2% 10 days. All others cash with order less 2% discount.

NON-WARRANTY - Although we pledge ourselves to ship only the best quality stock true to name and colors, we cannot warrant in any way, expressed or implied, the contents, or the description, quality, or productiveness, or any other matter of any seeds, bulbs, or plants sold by us, and we will not in any way be responsible for the crop. if the purchaser does not accept the goods on the above terms, no sale is made thereof and the goods must be returned within three days.

The prices quoted herein are based on the official prices established by the Dutch Government for export to the U.S.A. and are subject to change without notice.

HYACINTHS

We have placed contracts with the very best Hyacinth growers in Holland who through their long years of specializing, have perfected their methods of growing and structures of their soil, thereby procuring a product which will give satisfaction throughout. We reserve the right to substitute any variety not obtainable with nearest color.
